Evaluation of Attainment of Pos and Cos

This is to state that CBCS has been introduced in our college from the session 2023-27. Now we have to evaluate attainment of POs and COs in all programmes. However, POs and COs are evaluated in two professional courses (BBA and BCA) being run by our college. COs are also evaluated through Class Test and Unit Test. We do both formative and summative evaluation of our students, particularly in professional courses.
